

DECORATIVE CHIPS

FLOOR COATING PAINT CHIPFLAKES

SIMIRON Decorative Chip Flakes are vinyl paint chipflakes, composed of water-based resin materials and contain high-quality additives and color pigments.

Decorative Chip Flakes are designed for use in commercial, industrial and residential flooring applications and are available in a wide range of colors and popular blends.

Easy to maintain and customize, Decorative Chip Flakes are an economical flooring solution that naturally hides concrete imperfections while enhancing and protecting any decor. Check us out at www.simiron.com
